MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Mandatory Fire Drills in Area 4000 Barracks

1. Camp Roberts continues to improve the fire exits in Area 4000 barracks that have the older style ladder egress systems. Eventually, a more modern stairs system will be installed in every two-story building. Until then, I direct organizations using those barracks to conduct an initial fire drill, wherein personnel will practice exiting the second floor using the egress ladders.
2. The Directorate of Logistics will issue and post copies of this directive as required.
3. My telephone number is (805) 238-8201.

A handwritten signature in black ink, appearing to read "Jm S", is positioned above the printed name of the commanding officer.

JOHN F. SMITH
COL, FA
